

# Washington Flora Checklist

## A checklist of the Vascular Plants of Washington State Hosted by the University of Washington Herbarium

### Family: Platanaceae

2 terminal taxa (species, subspecies, and varieties).

The Washington Flora Checklist aims to be a complete list of the native and naturalized vascular plants of Washington State, with current classifications, nomenclature and synonymy.

#### Taxa included in the checklist:

- Native taxa whether extant, extirpated, or extinct.
- Exotic taxa that are naturalized, escaped from cultivation, or persisting wild.
- Waifs (e.g., ballast plants, escaped crop plants) and other scarcely collected exotics.
- Interspecific hybrids that are frequent or self-maintaining.
- Some unnamed taxa in the process of being described.

Family classifications follow [APG IV](#) for angiosperms, PPG I (J. Syst. Evol. 54:563-603. 2016.) for pteridophytes, and Christenhusz et al. (Phytotaxa 19:55-70. 2011.) for gymnosperms, with a few exceptions. Nomenclature and synonymy at the rank of genus and below follows the [2nd Edition of the Flora of the Pacific Northwest](#) except where superceded by new information.

Accepted names are indicated with **blue type**, synonyms with **gray type**.

Native species and infraspecies are marked with **bold-face type**.

\*Non-native and introduced taxa are preceded by an asterisk.

**Please note:** This is a working checklist, continuously updated. Use it at your discretion.

Created from the Washington Flora Checklist database on April 1st, 2025 at 11:50am PT.

## Dicots:

### Platanaceae [FNA3] Plane-Tree Family, Sycamore Family

#### \**Platanus* [FNA3]

Sp. Pl. 2: 999. 1753; Gen. Pl. ed. 5, 433, 1754.

#### \**Platanus xhispanica* Mill. ex Münchh.

Hausvater 5: 229. 1770.

London plane

(= *Platanus occidentalis* x *Platanus orientalis*)

#### \**Platanus occidentalis* L. [FNA3]

Sp. Pl. 2: 999. 1753.

American plane-tree, sycamore

Collected in a few localities along the Columbia River, where likely established from seeds dispersed from trees intentionally planted elsewhere.
